

Cross Country Coaches National Youth Championships

Saturday, November 23, 2024 @ Masterson Station Park in Lexington KY

Nationals Description

Accelerators participate in CCCNYC. Course walks will be available Friday afternoon with the races all day Saturday. We will try to eat together as a group for dinner on Friday night and hang out as a group after dinner on Saturday. Families have been known to leave Thursday night or Friday morning -- to do a course walk. Others leave Friday afternoon and arrive to race on Saturday. Some families leave for home after their race on Saturday and some stay one more night.
